## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-9 recite, inter alia, a method of powering an implantable medical device with a cell, monitoring the depth of discharge of the cell, when the cell reaches a first predetermined depth of discharge the cell begins the reform protocol by pulse discharging, waiting a time interval, and discharge again at a greater pulse, and continue till the second predetermined depth of discharge has been reached.
3. Claims 10-14 recite, inter alia, a method of powering an implantable medical device with a cell, measuring the accumulation of discharge of the cell, when the cell reaches a first predetermined depth of discharge the cell begins the reform protocol by pulse discharging, waiting a time interval, and discharge again at a greater pulse, and continue till the second predetermined depth of discharge has been reached.
4. Claims 15-20 recite, inter alia, a method of powering an implantable medical device with a cell, monitoring the depth of discharge of the cell, when the cell reaches a first predetermined depth of discharge the cell begins the reform protocol by pulse discharging, waiting a time interval, and discharge again at a greater pulse, and discontinuing the cell reform protocol at the expiration of the elapse time and the cell having been discharged to the second depth of discharge level.

The art of record does not disclose the above limitation, nor would it be obvious to modify the art of record so as to include the above limitation.

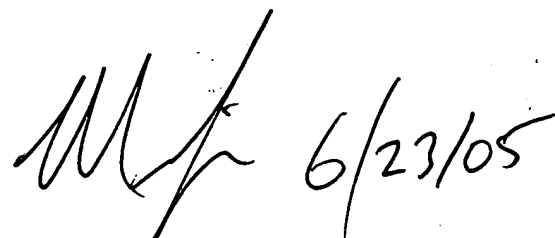

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
